About Your Presenter

Mr. Jay Woodward, R.A.

Jay Woodward is a Senior Staff Architect with ICC's Business and Product Development Department. His primary responsibility is the development of new ICC publications. With 32 years of experience in building design, construction, code enforcement and instruction, Jay's experience provides him with the ability to communicate effectively on issues of code application and design for code enforcement personnel as well as architects and designers. Jay has previously served as the secretariat for the ICC/ANSI A117.1 Standards Committee, ICC's Energy Conservation Code and the International Building Code's Fire Safety Code Development Committee.
